I Love You headbands materials and directions

Materials needed:

Headband strip - any paper long enough to go around a child's head

Pink construction paper or cardstock

Pencil

Scissors

Glue

Optional embellishments: stickers, glitter, nail polish, heart stamps

Directions:

1. Size a strip of paper to fit on child's head (any color)
2. On pink construction paper or cardstock (bright pink if you have it!) trace (fingers spread) and cut out each child's hand. (depending on skill level, this is done either by the child or the teacher)
3. Glue the paper hand onto the front center of the headband with the fingers pointing up.
4. Fold the two center fingers so that the finger tips touch the palm, secure the two center fingers to the palm. Embellish as desired!
